EIGHTH ORDER OF BUSINESS  District Engineer Staff Report

Mr. Schappacher provided an overview of the annual community review; he advised many proposals have been received for many of the items on the list and some of the work has been completed. He advised assistance from the landscape vendor would be helpful for clearing the vegetation from the segmented block retaining walls. Mr. Schappacher advised of many pipes sticking out of the ground; some are clean outs and some he doesn’t know what they are. He asked if the Board would like him to hire a vendor to lower the pipes; some clean outs are broken and some may or may not belong to the utility company. Mr. Jasper inquired regarding the possibility of some of them being part of the irrigation system. Mr. Schappacher confirmed that some of them could be irrigation related and have wiring coming out of them, some could be clean outs of storm drains or sewer. Mr. Jasper advised for the three communities that do not belong to the CDD; perhaps Mr. Schappacher can reach out to Lennar to lower them, and the ones owned by the CDD he would like to see them lowered. He advised there are quite a few Comcast boxes although those are on private property. Mr. Jasper advised he would like to see a proposal to have the pipes located on CDD property lowered.

Mr. Schappacher reviewed the roadway lifespan map, which was provided as an FYI to the Board. He advised he does a review on an annual basis. Mr. Jasper asked if the roadways are still on track with the Reserve Study. Mr. Schappacher advised that for the most part they are on track with the Reserve Study.

Mr. Schappacher advised he investigated the possibility of moving forward with the pickleball courts; he advised he has not determined whether the change would constitute a major amendment or a minor amendment; he advised the difference is a major amendment would be $2,300.00 and a minor amendment is $533.00 plus a review fee which could be a few hundred dollars. Mr. Schappacher advised there is also a public notice fee, newspaper publication fees, and
there may or may not be a need for a land use attorney, there are survey fees, location of trees and utilities. Mr. Schappacher advised the City requires a legal description survey that is less than a year old. He advised he met with the City regarding criteria used for parking ratios and according to the original plans that were signed off, the required parking for the River Club was 80 spaces and there are 135, plus they provided 10 to 15 golf cart spaces. He advised he reviewed the area being considered and all parking spaces were filled. He advised there should be plenty of parking spaces and that should not be an issue. Mr. Schappacher advised the next step would be to determine if the courts fit in the location. Mr. Orenstein advised that area was originally a playground and he inquired regarding whether or not it was a major initiative to remove the playground. Mr. Schappacher advised he was unable to find any documentation regarding the playground and it was not shown on the original approved map. Discussion ensued regarding placement of the court as well as buffer landscaping and landscape replacements. Mr. Orenstein suggested obtaining proposals so they are available for the budgeting process. Mr. Schappacher advised he provided proposals to Mr. Kissell for the courts. Mr. Jasper advised that the Board is committed to investigating the possible installation of pickleball courts but no Board decision has been made to proceed with their construction. The Board asked that Mr. Schappacher obtain a topographical survey.

Mr. Schappacher advised the pond bank repair work has been completed and the vendor was instructed to ensure the new sod is being watered. Mr. Jasper advised he has received emails regarding homeowners being pleased with the work being done as well as the quality of the work.

Mr. Schappacher advised the Asphalt Restoration Treatment representative has been onsite and will have a report by the end of the week. Mr. Jasper advised an estimate for the total costs is needed. Mr. Schappacher advised the costs should be included with the report.

Mr. Schappacher advised that some of the areas related to hog damage, everything to the West still belongs to Lennar and maybe they should be included in the talks regarding rectification. Mr. Jasper asked that Mr. Schappacher get with Lennar to review the pond banks that have been damaged by hogs and he asked that Ms. Richard review the CDD pond banks for damage as well. Mr. Schappacher advised he will also review all of the pond banks for hog damage.

Mr. Schappacher advised he had a meeting with Lennar at Valenza loop with regard to erosion and Lennar will be making the necessary repairs prior to turn over. Discussion ensued regarding the lake banks that are still under Lennar control.

Mr. Schappacher asked if Mr. Jasper planned to provide an update regarding the Dona Bay restoration project. Mr. Jasper advised he will provide an update. Mr. Lusty inquired regarding possible damage to the lake bank caused by the restoration project. Mr. Schappacher advised it could damage the banks and he provided an explanation of the possibilities. Mr. Jasper advised he has been talking with the County and the City regarding the old mining pit to the North, it is being turned into a water storage facility; the water will be diverted to the storage facility and slowly release the water to the Myakka River. The project is expected to take two years and during this time there will be dewatering efforts. Mr. Jasper advised the CDD lakes will be affected and he has asked that the City and County to bring their consultant to the CDD to discuss the impacts to the CDD lakes. Mr. Schappacher advised Cardno is a good company though they will not get into detail; they have advised they are following SWFWMD recommendations and requirements.
NINTH ORDER OF BUSINESS

Public Hearing Regarding RFID Policy

Ms. Blandon provided an overview of the procedures related to the public hearing.

On a Motion by Mr. Orenstein, seconded by Mr. Bracco, with all in favor, the Board Opened the Public Hearing Regarding the RFID Policy, for the Venetian Community Development District.

Mr. Myer read into the record a letter he sent to Mr. Jasper regarding a permanent device as well as a portable device. Ms. Blandon stated for the record that Mr. Myer distributed letters to the Board. Mr. Lusty inquired regarding Mr. Myer being amenable to providing dates and times of arrival and departure for activation and deactivation of a portable device.

A resident inquired regarding obtaining two portable devices as she and her husband each have rental cars when they are here.

Mr. Dabne inquired regarding access for his girlfriend. Mr. Orenstein inquired regarding the term benefactor.

Mr. Chorba made points to the RFID system and how they would work with residents who lease vehicles.

A resident addressed the Board regarding pros and cons of portable devices versus stickers.

A resident advised his vehicle was addressed immediately and professionally and he is thankful.

Hearing no further comments from the public, Mr. Jackson asked for a motion to close the Public Hearing.

On a Motion by Mr. Bracco, seconded by Mr. Jasper, with all in favor, the Board Closed the Public Hearing Regarding the RFID Policy, for the Venetian Community Development District.

Mr. Orenstein provided an overview on the process for the RID system and the need to have access control. He advised clickers were provided to everyone, they were given to vendors and others. He advised he was asked to develop a process and procedure to alleviate the issues with the clickers.

Mr. Myer addressed the Board regarding unrestricted access to Owners within Venetian. Mr. Orenstein advised the Board could elect to have every resident enter the community via the guard gate. He advised the Board is not denying access to enter the community.

A resident addressed the Board regarding allowing two devices per household, whether they be affixed or portable.

Mr. Chorba addressed the Board regarding leasing vehicles and constant changing of vehicles. Mr. Lusty advised the RFID stickers will not damage vehicles.
Mr. Orenstein advised the guards installing the stickers have been directed to only install on the mirrors in the first go around so that all questions can be asked to the vendor regarding additional placement locations, so those requests will be responded to during the second go around of issuing RFID stickers.

Mr. Lusty inquired with Mr. Orenstein regarding accommodating rental vehicles because the requests are reasonable. Mr. Orenstein advised the requests are reasonable though he is trying to decide where to draw the line and how to administer the control. Discussion ensued regarding the administration of portable devices.

**TENTH ORDER OF BUSINESS**

**Presentation of Proposed Policy**

Ms. Blandon suggested the Board review the policy item by item and provide input regarding each item in order to move forward with the agenda.

Ms. Blandon asked for input regarding item #1. Mr. Jasper inquired regarding the meaning of “good standing”. Mr. Orenstein advised that terminology was pulled from the existing policy.

Ms. Blandon asked for input regarding item #2. Mr. Orenstein proposed deleting the last sentence advising there should be no limit to the number of stickers. The remainder of the Board concurred.

Ms. Blandon asked for input regarding item #3. Mr. Lusty inquired regarding a statement regarding replacing stickers during business hours. Mr. Orenstein advised that wording is contained in item #1.

Ms. Blandon asked for input regarding item #4. Mr. Jasper suggested adding “1(b)” in the first line along with 1(c) and (d). The remainder of the Board concurred. Discussion ensued regarding short term rentals.

Ms. Blandon asked for input regarding item #5. There were no changes.
